Announcements & Updates 📝

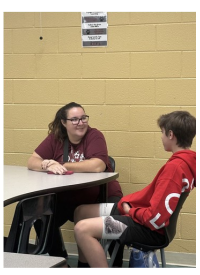

Thank you, families, for joining us for our Veterans Day Program and our Thanksgiving lunch!

Just a heads up about the "squishies" that students are bringing to school. They are becoming a distraction in the classrooms and a mess on the buses. There have been a couple busted on the school buses. Unfortunately, they can leave a huge mess and sometimes can not be removed from seats. They need to be up and away. If they make a mess on the bus, the company will charge restitution and students will be suspended. Most of the ones causing a problem are the larger squishies.

Mid Terms end on Wednesday. Please take time to review your child's grades in skyward. If they have missing work it is important to get those completed. We don't want to get too far behind. Your child can stay for Wednesday school if you need allotted time to make up work.

Please remember that if you are an athlete you can not have failing grades or on Wednesday school list and continue to play without participating in Wednesday school. That means this week if you are failing or have attendance infractions you must stay for Wednesday school if you want to play on Thursday. Please contact Mrs. Stacy, (bstacy@acs.ac) if you have any questions. Your coaches will reach out if your child is failing and can not participate in sporting activities.

Veterans Day Presentation
